herunter seid. Meiner Meinung nach müsstet Ihr unbedingt  
nach Darmstadt gehen. Dort ist eine große Polytechni-  
schule, und Ihr könnt dort nicht nur viel lernen,  
sondern auch in Zürich sammeln und dabei sparen.

**“... . Na minha opinião você deveria ir sem dúvida alguma para Darmstadt. Lá existe uma excelente Universidade Técnica, e você poderia lá não só viver muito melhor que em Zurique, mas também economizar consideravelmente...”**

Albert Einstein in a letter to his family, 1919. In it he particularly recommends that his son Albert take up his studies in Darmstadt.

Thanks for the kind support:
